MMWEC offers two \$1,000 scholarships to Ludlow High School seniors

LUDLOW, Mass. – April 2, 2010 – The Massachusetts Municipal Wholesale Electric Company (MMWEC) is offering two \$1,000 scholarships to graduating Ludlow High School seniors again this year.

The scholarships will be awarded to qualifying seniors who are planning to pursue degrees in engineering, environmental sciences, finance or accounting. Scholarship recipients are selected based on several factors, including their academic performance, community involvement, and other achievements during their high school years.

Information and applications for the MMWEC scholarships are available in the Guidance Office at Ludlow High School. The application also is available online at www.mmwec.org. The deadline to submit an application is Friday, May 14, 2010.

MMWEC is a non-profit, public corporation that provides energy services to the Commonwealth's consumer-owned municipal utilities. MMWEC has been a corporate resident of Ludlow for more than 30 years. Since the inception of its scholarship program in 1998, MMWEC has awarded \$21,000 in scholarships to assist Ludlow students in their pursuit of higher education.
