

## **Auxiliary Operator**

The Massachusetts Municipal Wholesale Electric Company (MMWEC) brings a competitive edge to Massachusetts municipal utilities dedicated to providing their customers with low-cost and reliable electricity. We plan, develop and manage energy resources in an evolving marketplace that requires high levels of innovation and expertise. Our values are old-fashioned, reflecting 40 years of public power joint action, but our service is enlightened.

We are currently recruiting to fill a full time Auxiliary Operator position. This position is on a rotating 12 hour shift schedule (6a-6p & 6p-6a).

### **PRIMARY RESPONSIBILITIES:**

- This position is accountable for the safe, efficient operation of all auxiliary equipment and boilers associated with the Stony Brook Power Plant.
- He/she must be able to quickly recognize abnormal operating conditions of the equipment, patrol and inspect conditions of operating equipment and check automatic starting of standby equipment.
- He/she must be able to take corrective action to prevent damage to company property or injury to himself/herself or others.
- This position requires a broad, thorough knowledge of the operation of steam boilers, pumps, heat exchanging equipment, associated cooling systems and related auxiliaries.
- This position is under the immediate supervision of the Shift Supervisor and typically receives operational instructions from either the Control Room Operator or Assistant Control Room Operator in addition to the Shift Supervisor.
- Participation in DOT required random drug testing program

### **TRAINING AND EXPERIENCE:**

- This position requires a Massachusetts Second Class Fireman's license; however a First Class Fireman's license or higher is preferred.
- Experience in a generating station preferred.

MMWEC offers a competitive salary & benefits package including both a pension and savings retirement plan with company match. We foster an environment that challenges employees to be passionate, energetic, proactive, and progressive.
