Baker's Order allows remote public meetings by boards

“In a significant change spurred by the spreading coronavirus, government boards in Massachusetts may now meet without a physical quorum of members present and without affording public access to the physical meeting locations, under an order announced March 12 by Gov. Charlie Baker. The administration indicated the emergency order, which is effective immediately, is designed to facilitate the continuation of government business.”

The Hydro Quebec Committee chairman reasonably anticipates that the following topics will be discussed at the meeting:

1. Call to Order
2. Approval of Agenda
3. Introduction
4. Review of Transfer Agreement
5. Review of Power Purchase Agreement
6. Next Steps
